With breathtaking views across College Green and a central location that ensures easy access for all your guests, it's the perfect venue to bring people together this Christmas.

As one of Bristol's most distinguished and memorable venues, City Hall combines timeless elegance with festive charm. Its graceful curve around College Green and grand entrance over the moat create a unique and impressive arrival experience. Guests are welcomed into a striking foyer paved with black and white Italian marble, setting the tone for an unforgettable evening.

Built with history and grandeur, City Hall was officially opened by Queen Elizabeth II in 1956, and its heritage adds a special touch to every event. The Queen Elizabeth II Conference Hall, the largest space in the building, is bathed in natural daylight and equipped with in-house AV, ideal for speeches, entertainment, or dancing the night away.
