WELCOME TO LONDON'S HISTORIC UNDERGROUND LOCATION

Give your guests the experience of a lifetime at Churchill War Rooms, hidden beneath the iconic buildings of Westminster. Rich in atmosphere, this incredible venue is the very site where Prime Minister Winston Churchill and his Cabinet led Britain to victory during the Second World War.

Winston Churchill is recognised as one of the greatest individuals to ever walk the course of British history, and nowhere is the scene of his finest hour better illustrated than at Churchill War Rooms.

Each room has been preserved and restored to look just as it did during the Second World War. Walk the same corridors as Churchill, peer into the room where his War Cabinet made their momentous decisions, and marvel at the complexity of the abandoned Map Rooms, frozen in time since 1945.

This once-secret underground wartime headquarters also offers excellent modern meeting and dining facilities. It is an inspirational venue for team building days, dinners, receptions, press launches and seminars, featuring state-of-the-art technology and support services.
