KNEBWORTH HOUSE & BARNES

Why KNEB WORTH

The romantic exterior of Knebworth House with its turrets, domes and gargoyles silhouetted against the sky does little to prepare the visitor for what to expect.

Set in 250 acres, Knebworth Park and has been home to grazing herds of deer that have been at Knebworth for even longer than the Lytton family. The 28-acre formal gardens are delightful in every season and a perfect backdrop for beautiful wedding photography.

As well as being a beautiful setting, your guests may be intrigued to learn Knebworth House & Park is also known as 'The Stately Home of Rock'. The Rolling Stones, Queen, Oasis, as well as over 100 other major artists have played Knebworth Festivals.

As well as concerts, Knebworth House has made starring appearances on the big screen in major feature films, series and music videos with highlights including Batman, The Crown and The King's Speech.

There are endless opportunities to make your dream day a reality from elegant ceremonies in the House to more unique, vintage offerings for your wedding reception in our stunning barns.

It really is a venue that will keep your guest talking for years to come.
