CLIENT TESTIMONIALS

Thanks for being so flexible with all my different ideas and putting in the extra effort to make things special for our event. The food was delicious! I thought all the courses were great and looked lovely. The venue was so impressive and I couldn't imagine a better space for our event. I loved starting at the American museum, and then coming to the Airspace with all the beautiful lighting, it was definitely a wow moment.

United States Air Force

From planning our event and pre-event communications to the exceptional service and high-quality food, working with the IWM Duxford team was a truly pleasant experience. Beyond the outstanding event management, this stunning venue, with its thoughtfully designed lighting effects, creates an unforgettable evening for anyone fortunate enough to attend an event at IWM Duxford.

Cambridge University Press

The best part for me as the GA side organiser was that the IWM Events girls were so easy to work with, they made our day the most smooth, fun and enjoyable experience for everyone who attended. The feedback we've had from all those who came has been resoundingly positive.
