

Summer events at KNEBWORTH PARK & BARNES

Why KNEBWORTH

The exterior of Knebworth House with its turrets, domes and gargoyles silhouetted against the sky does little to prepare the visitor for what to expect.

Set in 250 acres, Knebworth Park has been home to grazing herds of deer that have been at Knebworth for even longer than the Lytton family.

Knebworth House itself has stood for many years longer than the Victorian decoration suggests; the stucco hides from view a red brick house dating back to the Tudor times.

As well as being a beautiful setting, your guests may be intrigued to learn Knebworth House is also known as 'The Stately Home of Rock'. The Rolling Stones, Pink Floyd, Led Zeppelin, Queen, Oasis and Robbie Williams as well as over 100 other major artists have played Knebworth Festivals since 1974.

As well as concerts, Knebworth House has made starring appearances on the big screen in major feature films, series and music videos with highlights including Batman, The Crown and The King's Speech.

It really is a venue that will keep your guest talking for years to come.

Our spaces at KNEBWORTH

The extensive grounds at Knebworth lend themselves to the endless possibility and variety of ground events, summer parties and team building activities.

Knebworth Barns

Knebworth Barns, where the past really meets the present, comprises of the 16th century Lodge and Manor Barns which sit comfortably alongside the modern, oak-framed Lytton and Cobbold Barns, with a central courtyard which creates a unique festival environment.

Knebworth Park

The 250 acres of parkland is divided into different areas, including the large concert field which is overlooked by the Knebworth Barns, the North Field at the entrance to the grounds and the Mausoleum Field with views over Hertfordshire. Along with the formal gardens and dinosaur trail which lend themselves perfectly for scavenger hunts and impressive receptions.
